

## ZENITH ENERGY LTD. UNVEILS NEW TRADEMARK

### FOR IMMEDIATE RELEASE (TSX.V: ZEE)

**Calgary, Alberta / TheNewswire / October 4, 2016 /** Zenith Energy Ltd. (“**Zenith**” or the “**Company**”) is pleased to announce the enhancement of its visual identity with the development of a new trademark as part of Zenith’s strategy of expansion and modernization. The new trademark will feature across all the various instruments of online social and market engagement utilized by the Company.

The recent beginning of operations at the largest onshore oil field in Azerbaijan through its fully owned subsidiary, Zenith Aran Oil Company Limited, has allowed the opportunity to collaborate with local companies who support Zenith in production operations and in achieving its development goals in Azerbaijan. The new trademark, authored by Natavan Piriyevea and Jamil Aslanov (Fabrica Agency/ Axion Group) is an example of the successful results that can be obtained in working with enterprises based in Azerbaijan, the Company’s newest area of operation.

Andrea Cattaneo, CEO & President, comments “Our new trademark, a graphic synthesis of a lion, (symbol of power and courage) and an eagle (representing the qualities of vision and decisiveness), embodies the expansionist spirit that urges us forward towards increasing production in Azerbaijan- a Country the Company holds in high regard- and maximizing shareholder value.” Andrea Cattaneo further stated, “This trademark will remain the Zenith banner for many years to come and allow the Company to stand out visually, just as it stands out in its determination to succeed.”

*Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.*

### **Forward-Looking Statements**

*This news release contains forward-looking statements and forward-looking information within the meaning of applicable securities laws. The use of any of the words "expect", "anticipate", "continue", "estimate", "objective", "ongoing", "may", "will", "project", "should", "believe", "plans", "intends" and similar expressions are intended to identify forward-looking information or statements. More particularly and without limitation, this news release contains forward-looking statements and information. The forward-looking statements and information are based on certain key expectations and assumptions made by Zenith. Although Zenith believes that the expectations and assumptions on which such forward-looking statements and information are based are reasonable, undue reliance should not be placed on the forward looking statements and information because Zenith can give no assurance that they will prove to be correct. By its nature, such forward-looking information is subject to various risks and uncertainties, which could cause the actual results and expectations to differ materially from the anticipated results or expectations expressed. Readers are cautioned not to place undue reliance on this forward-looking information, which is given as of the date hereof, and to not use such forward-looking information for anything other than its intended purpose. Zenith undertakes no obligation to update publicly or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by law.*
