About Zenith Energy Ltd.

Zenith focuses on the acquisition and further development of proven onshore oil and gas fields where production has declined over time, but which are capable of increased productivity following an injection of capital and optimization through its corporate engineering and technical expertise. To maximize shareholder value, Zenith targets acquisitions of production opportunities that offer strong logistics and close proximity to refineries and pipelines. Zenith’s management and directors have extensive international and governmental experience and possess the technical knowledge to execute this strategy.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
